

**STEP ACADEMY TRUST TEACHING AND LEARNING LEAD (SCIENCE) – Payscale: Lead Practitioner 1
(Outer London)**

STEP Academy Trust wish to appoint a Teaching and Learning Lead for Science. This vital senior role will enhance the central Teaching and Learning Team and help support our academies to enable academicians to develop excellent scientific knowledge. This is a strategic role which will involve liaison with senior leaders in academies, Strategic Governing Bodies, the Executive Team and the Board of Trustees to ensure STEP is at the forefront of science teaching and learning.

The appointee will have excellent subject knowledge and understanding, a clear pedagogical philosophy regarding science teaching and be cognisant with the latest developments in the subject.

The role will be part-time (initially one day per week) so the appointment will need the approval of the appointee's Academy Headteacher.

Please refer to the Job Description for full details.

Application will be by a written personal statement - please refer to the Person Specification.

Please send applications to Tom Garry at tom.garry@stepacademytrust.org by 14th June 2019.

Interviews will be held at Heathfield Academy on Wednesday 26th June.
