Responsibility for review: Board of Trustees

1. Introduction and Statement of Intent

As a charity and company limited by guarantee, STEP Academy Trust (“the Trust”) is governed by a Board of Trustees (the “Trustee” or “Trustees”) who are responsible for, and oversee, the management and administration of the Trust and the academies run by the Trust. This Scheme of Delegation will apply to all academies for which the Trust is responsible (the “Academies”). Any reference to “the Academies” in this Scheme of Delegation refers to all Academies within the Trust.

The Trustees are accountable to external government agencies including the Charity Commission, Education and Skills Funding Agency and the Department for Education (including any successor bodies) for the quality of the education they provide and they are required to have systems in place through which they can assure themselves of quality, safety and good practice.

In order to discharge these responsibilities, the Trustees appoint people to serve on a board (the “Strategic Governing Body” or “SGB”) which has been established to ensure the good governance of the Academies.

This Scheme of Delegation explains the ways in which the Trustees fulfil their responsibilities for the leadership and management of the Academies, the respective roles and responsibilities of the Trustees and the members of the Strategic Governing Body and the commitments to each other to ensure the success of STEP Academy Trust.

This Scheme of Delegation has been put in place by the Trustees from the Effective Date in accordance with the provisions of the Trust’s Articles of Association (“the Articles”)

2. Ethos and Mission Statement

1.1 STEP Academy Trust’s mission is as follows:

At STEP Academy Trust we are committed to improving the life chances of all children. Where we have the capacity to make a difference, we are morally bound to do so. Members of the Trust strive together for excellence in partnership, so that our children, staff and Academy communities benefit from excellent teaching, learning and leadership.

The Trustees and Strategic Governing Bodies recognise their responsibility towards the common good, not just of the Academies for whom the Trust is responsible, but of all of the families and communities in the areas served by the Academies.

1.2 STEP Academy Trust is governed by:

- Members – guardians of STEP Academy Trust, their role is similar to that of shareholders of a limited company
- Trustees – appointed by Trustees to oversee the business of STEP, agreeing the overarching strategic direction and ensuring robust governance
- Executive Team – manage the day to day business of the Trust in line with policies approved by Trustees

- Strategic Governing Body – provide challenge and support to Academy Leadership Teams as the Academy implements policies and improvement plan priorities
- Academy Leadership Team – manage the day to day business of an individual academy under the oversight of the Executive Team with challenge and support from the Strategic Governing Body

2. Scope and Applicability

This Scheme of Delegation outlines the framework for decision making within STEP Academy Trust. It applies to all Members, Trustees, Governors serving on the SGBs and staff.

To aid decision making, a “Decision Matrix” is attached at Appendix 1.

3. Articles of Association

The following are the relevant clauses from the Articles of Association that outline what can, and cannot, be delegated.

3.1 Subject to provisions of the Companies Act 2006, the Articles and to any directions given by special resolution, the business of the Trust shall be managed by the Trustees, who may exercise all the powers of the Trust.

3.2 Subject to the Articles, Trustees:

- will appoint separate committees to be known as Strategic Governing Bodies to govern one or more Academies; and
- will establish other committees to ensure quality assurance and to enable the Trust to focus on strategic development.

3.3 Subject to the Articles, the constitution, membership and proceedings of any committee shall be determined by the Trustees. The establishment, terms of reference, constitution and membership of any committee of the Trustees shall be reviewed at least once in every twelve months.

3.4 The membership of any committee of the Trustees may include persons who are not Trustees, provided that (with the exception of the Strategic Governing Bodies) a majority of members of any such committee shall be Trustees. Except in the case of a Strategic Governing Body, (SGB), no vote on any matter shall be taken at a meeting of a committee of the Trustees unless the majority of members of the committee present are Trustees.

3.5 Trustees may delegate to any Trustee, committee (including any SGB), the CEO or any other holder of an executive office, such of their powers or functions as they consider desirable to be exercised by them. Any such delegation shall be made subject to any conditions the Trustees may impose, and may be revoked or altered.

3.6 The implementation and impact of functions delegated to the SGBs will be quality assured by the STEP Standards Committee and the STEP Operations/Audit Committee.

3.7 Trustees shall appoint the Headteachers of the Academies and may delegate such powers and functions as they consider are required by the Headteachers for the internal organisation, management and control of the Academies (including the implementation of all policies approved by the Trustees and for the direction of the teaching and curriculum at the Academies).

3.8 The Board of Trustees cannot delegate any functions relating to the:

- constitution of the Trust;
- appointment or removal of the Chair and Vice-Chair of the Trustees;
- suspension or removal of Trustees;
- delegation of functions, ie the adoption or revision of this Scheme of Delegation;
- establishment of committees;
- dissolution of committees.

4. Members

4.1 The Trust will have:

- 4 external Members (ie not Trustees)
- 1 internal Members (Chair of Trustees)

4.2 Members are the guardians of the Trust's constitution, determining the governance structure of the Trust and providing oversight and challenge of the Trustees to ensure the charitable object of the Trust is being fulfilled.

4.3 Members may agree to appoint/remove additional Members. The CEO is not required to be a Member as employees of the Trust cannot be Members. Members can appoint and remove any Trustee subject to the provisions outlined in the Articles of Association. Trustee appointments will be ratified by Members. Any removal by the Board of a Trustee appointed by the Members shall only be undertaken with the consent of the Members.

4.4 Members will be able to sign off the Annual Report and Accounts, however this will be delegated to the Chair of the Board of Trustees.

5. Board of Trustees

5.1 The Board of Trustees (or Trust Board) is able to exercise all of the powers of STEP Academy Trust. It is responsible for the performance of the Trust.

5.2 The Board will offer support, constructive advice, a sounding board for ideas, a second opinion on proposals and help where needed, but will also challenge, ask questions, seek information, improve proposals and so seek to arrive at the best outcome for the Trust.

5.3 As trustees of a charity (the Trust), Trustees have a fiduciary duty to act in good faith in the best interests of the Trust. This duty includes a responsibility to do the following:

- ensure compliance with any legal obligations;
- report on the Trust's activities (the Trust must prepare accounts in accordance with the Statement of Recommended Practice for Charities, the so called "Charity SORP" and any reporting requirements of the Education & Skills Funding Agency);

- fulfil the charitable object of the Trust as set out in its constitution (ie the Articles of Association) and to act in a way which is compliant with the rules of the Trust contained in the Articles;
- act with integrity and to avoid any personal conflicts of interest and not to misuse any charity funds or assets;
- act prudently in the financial management of the Trust, avoiding putting any assets, funds or reputation of the Trust at undue risk;
- exercise reasonable care and skill, using personal knowledge and experience to ensure the Trust is well run and efficient; and
- act responsibly, getting advice from others, including professional advisors, where appropriate.

5.4 Subject to any change in policy from time to time or where circumstances merit a different approach, the Trust Board will be constituted as follows:

- Non-Executive Trustees;
- 1 Executive Trustee (usually the CEO)
- Associate Trustees (ie advisers to the Board).

5.5 The Job Description and Person Specification incorporating a Code of Conduct and Role Responsibilities for Trustees is set out in Appendix 2. Specific skills may be needed if a Trustee is to take responsibility for and lead on a specific area, or to undertake the role of the Chair of the Trust. A regular skills audit will be undertaken and Trustees should expect to be able to articulate their contribution to the success of the Trust and the Academies.

Detailed terms of reference for the Trust Board are attached as Appendix 3.

6. Committees

6.1 The Trust Board will establish a structure of committees as appropriate. These committees will act in an advisory capacity to the Board of Trustees except where powers have been specifically delegated to them by the Trust Board.

6.2 The Trust Board will establish the following committees:

- Operations/Audit Committee;
- Standards Committee;
- Strategic Governing Bodies.

6.3 Strategic Governing Bodies

6.3.1 Strategic Governing Body for each academy or pair of academies as follows:

- Angel Oak Academy and David Livingstone Academy;
- Applegarth Academy and Wolsey Academies;
- Gonville Academy;
- La Fontaine Academy and Heathfield Academy;
- Breakwater Academy and High Cliff Academy;
- Burfield Academy and Hawkes Farm Academy;
- Phoenix Academy and White House Academy.

6.3.2 When the Trust Board deems that there are sufficient Governors in place to ensure the committees are effective, there will be Lead Governors in each of the following areas:

- Safeguarding;
- Looked After Children (LAC)
- SEND;
- Pupil Premium;
- Finance and Operations ;
- Headteacher Performance Management;
- Standards;
- Additional areas as applicable

Role Descriptions for Lead Governors are outlined in the Lead Governor Booklet at Appendix 8.

6.3.3 In order to be functional, the composition of any SGB responsible for two academies within STEP Academy Trust must meet the following minimum criteria:

- 2 Headteacher Governors, ex-officio (one from each Academy);
- 2 Staff Governors (1 from each Academy, elected by members of staff);
- 2 Parent Governors (1 from each Academy, elected by parents/carers or appointed by the SGB where no-one has stood for election);
- 3 Co-opted Governors (ie appointed by the SGB).

6.3.4 The maximum membership of the SGB will be:

- 2 Headteacher Governors, ex-officio (one from each Academy);
- 2 Staff Governors (1 from each Academy);
- 2 Parent Governors (1 from each Academy, elected by parents/carers or appointed by the SGB where no-one has stood for election);
- 6 Co-opted Governors.

6.3.5 Where an Academy has a leadership model in excess of one Headteacher, for example two part-time Headteachers or an Executive Headteacher and Head of School, both members of staff will be members of the SGB. However, they will only have a single vote.

6.3.6 Where an SGB covers just one academy, the minimum membership will be:

- 1 Headteacher Governor;
- 1 Staff Governor;
- 1 Parent Governor;
- 3 Co-opted Governors (ie appointed by the SGB).

6.3.7 Any SGB may appoint Associate Governors, subject to the approval of the Trustees. Associate Governors will have no voting rights and their term of office will be limited to one year. The purpose of the role will be to provide short-term support in areas where the SGB identifies a need for development.

6.3.8 It would be usual for the SGB to invite members of the Executive Team to meetings. This will ensure that there continues to be open and transparent communication throughout the Trust.

6.3.9 The Job Description and Person Specification incorporating a Code of Conduct and Role Responsibilities for Governors is set out in Appendix 5. Specific skills may be needed if an individual is to take responsibility for and lead on a specific area, or to undertake the role of the Chair of the

Strategic Governing Body (additional role responsibilities are set out in the appended Job Description). A regular skills audit will be undertaken and Governors should expect to be able to articulate their contribution to the success of the Trust and the Academies for which they are responsible.

Detailed terms of reference for the Strategic Governing Body are attached as Appendix 6.

7. Academy Leadership Team

7.1 The Headteacher is responsible for the internal organisation, management and control of their Academy, for advising on and implementing the Trust's strategic framework, for the implementation of all policies approved by the Trustees for the direction of the teaching and the curriculum at the Academy.

7.2 In line with models provided, the Headteacher will contextualise aims, objectives and policies for the SGB and Board to consider, and will report to the SGB on progress at each meeting in accordance with a schedule drawn up annually with the Chair of the SGB. The Headteacher will work closely with the senior management team to this end.

7.3 The Headteacher and staff are accountable to the STEP Trust Board and to the SGB for the Academy's performance. The SGB and the Trustees will be prepared to explain its decisions and actions to anyone who has a legitimate interest. This may include staff, pupils and parents as well as the Secretary of State, Education and Skills Funding Agency ("ESFA") and Local Authority.

7.4 The Headteacher will comply with any reasonable direction by the Trust Board or SGB when acting on the Trust's behalf.

7.5 The Headteacher will agree and monitor appropriate delegations of authority with other staff.

8. Term of Office

The term of office for any person serving on the Strategic Governing Body shall be 4 years, save that this time limit shall not apply to the CEO, Executive Headteacher (or any Headteacher serving in an ex officio capacity), who will serve for as long as he or she remains in office and persons who are Associate Governors who shall serve for 1 year - subject to remaining eligible to be a particular type of Governor, any person may be re-appointed to re-elected (including being "Co-opted" again) to the Strategic Governing Body.

9. Resignation and Removal

9.1 A person serving on the Strategic Governing Body shall cease to hold office if he or she resigns his or her office by notice to the Strategic Governing Body (but only if at least three persons will remain in office when the notice of resignation is to take effect).

9.2 A person serving on the Strategic Governing Body shall cease to hold office if he is removed by the person or persons who appointed him. Whilst at the same time as acknowledging that no reasons need to be given for the removal of a person who serves on the Strategic Governing Body by a person or persons who appointed him, any failure to uphold the values of the Trust and/or the Academies or to act in a way which is appropriate in light of this Scheme of Delegation or to comply with the role responsibilities set out in the "Job Description and Person Specification" will be taken

into account. A person may also be removed by the Trustees but only after the Trustees have given due regard to any representations by the Strategic Governing Body. The removal of a Parent Governor will be undertaken only in exceptional circumstances.

9.3 If any person who serves on the Strategic Governing Body in his or her capacity as an employee at any of the Academies ceases to work at the Academy, then he or she shall be deemed to have resigned and shall cease to serve on the Strategic Governing Body automatically on termination of his or her work at the Academy.

9.4 Where a person who serves on the Strategic Governing Body resigns his or her office or is removed from office, that person or, where he or she is removed from office, those removing him or her, shall give written notice thereof to the Clerk to the Strategic Governing Body who shall inform the Chair of the Strategic Governing Body, the Chair of Trustees and the Company Secretary.

10. Disqualification of members of the Board of Trustees/Strategic Governing Body

10.1 No person shall be qualified to serve on the Board of Trustees/Strategic Governing Body unless he or she is aged 18 or over at the date of his or her election or appointment. No current pupil of the Academy shall be entitled to serve on the Board of Trustees/Strategic Governing Body.

10.2 A person serving on the Board of Trustees/Strategic Governing Body shall cease to hold office if:

- he or she becomes incapable by reason of mental disorder, illness or injury of managing or administering his or her own affairs.
- he or she is absent without the permission of the Chair of the Board of Trustees/Strategic Governing Body from all the meetings of the Board of Trustees/Strategic Governing Body held within a period of six months and the Board of Trustees/Strategic Governing Body resolves that his or her office be vacated.

10.3 A person shall be disqualified from serving on the Board of Trustees/Strategic Governing Body if:

- his or her estate has been sequestrated and the sequestration has not been discharged, annulled or reduced;
- he or she is the subject of a bankruptcy restrictions order or an interim order;
- at any time when he or she is subject to a disqualification order or a disqualification undertaking under the Company Trustees Disqualification Act 1986 or to an order made under section 429(2)(b) of the Insolvency Act 1986 (failure to pay under county court administration order).
- he or she would cease to be a trustee/governor by virtue of any provision in the Companies Act 2006 or is disqualified from acting as a trustee/governor by virtue of section 178 of the Charities Act 2011 (or any statutory re-enactment or modification of that provision).
- he or she has been removed from the office of charity trustee or trustee for a charity by an order made by the Charity Commission or the High Court on the grounds of any misconduct or mismanagement in the administration of the charity for which he or she was responsible

or to which he or she was privy, or which he or she by his or her conduct contributed to or facilitated.

- at any time when he or she is:
 - included in the list kept by the Secretary of State under section 1 of the Protection of Children Act 1999; or
 - disqualified from working with children in accordance with Section 35 of the Criminal Justice and Court Services Act 2000; or
 - barred from regulated activity relating to children (within the meaning of section 3(2) of the Safeguarding Vulnerable Groups Act 2006).
- he or she is a person in respect of whom a direction has been made under section 142 of the Education Act 2002 or is subject to any prohibition or restriction which takes effect as if contained in such a direction.
- where he or she has, at any time, been convicted of any criminal offence, excluding any that have been spent under the Rehabilitation of Offenders Act 1974 as amended, and excluding any offence for which the maximum sentence is a fine or a lesser sentence except where a person has been convicted of any offence which falls under section 178 of the Charities Act 2011.

10.4 After the Academy has opened, a person shall be disqualified from serving on the Strategic Governing Body if he or she has not provided to the Chair of the Strategic Governing Body a criminal records certificate at an enhanced disclosure level under section 113B of the Police Act 1977. In the event that the certificate discloses any information which would in the opinion of either the Chair of the Strategic Governing Body or the Headteacher confirm their unsuitability to work with children that person shall be disqualified. If a dispute arises as to whether a person shall be disqualified, a referral shall be made to the Chair of Trustees to determine the matter. The determination of the Chair of Trustees shall be final.

10.5 Where, by virtue of this Scheme of Delegation, a person becomes disqualified from serving on the Strategic Governing Body; and he or she was, or was proposed, to so serve, he or she shall upon becoming so disqualified give written notice of that fact to the Strategic Governing Body.

This clause shall also apply to any member of any committee of the Strategic Governing Body who is not a member of the Strategic Governing Body.

11. Annual Review

11.1 This Scheme of Delegation shall operate from the Effective Date. The Trustees will have the absolute discretion to review this Scheme of Delegation at least on an annual basis and to alter any provisions of it.

11.2 In considering any material changes to this Scheme of Delegation or any framework on which it is based, the Trustees will have regard to and give due consideration of any views of the Strategic Governing Body.

12. Meetings of the Strategic Governing Body

12.1 Subject to this Scheme of Delegation, the Strategic Governing Body may regulate its proceedings as the Executive Team deem suitable.

12.2 The Strategic Governing Body shall meet at least three times in every academic year. Meetings of the Strategic Governing Body shall be convened by the clerk to the Strategic Governing Body. In exercising his or her functions under this Scheme of Delegation the clerk shall comply with any direction:

- given by the Trustees or the Strategic Governing Body; or
- given by the Chair of the Strategic Governing Body or, in his or her absence or where there is a vacancy in the office of the Chair, the Vice-Chair of the Strategic Governing Body, so far as such direction is not inconsistent with any direction given as mentioned above.

12.3 Any three members of the Strategic Governing Body may, by notice in writing given to the Clerk, requisition a meeting of the Strategic Governing Body; and it shall be the duty of the Clerk to convene such a meeting as soon as is reasonably practicable. As this circumstance would be exceptional, the reasons for the Extra-Ordinary Meeting will be included in the opening remarks of the Chair at the meeting. If more than one Extra-Ordinary Meeting was requested in an academic year, the Governors requiring the second meeting would first discuss the matter with the Executive Team, who in turn would inform Trustees.

12.4 Each member of the Strategic Governing Body shall be given at least seven clear days before the date of a meeting:

- notice in writing thereof, signed by the Clerk, and sent to each member of the Strategic Governing Body at the address provided by each member from time to time; and
- a copy of the agenda for the meeting;

provided that where the Chair or, in his absence or where there is a vacancy in the office of Chair, the Vice-Chair, so determines on the ground that there are matters demanding urgent consideration, it shall be sufficient if the written notice of a meeting, and the copy of the agenda thereof are given within such shorter period as he directs.

12.4 The convening of a meeting and the proceedings conducted thereat shall not be invalidated by reason of any individual not having received written notice of the meeting or a copy of the agenda thereof.

12.5 A resolution to rescind or vary a resolution carried at a previous meeting of the Strategic Governing Body shall not be proposed at a meeting of the Strategic Governing Body unless the consideration of the rescission or variation of the previous resolution is a specific item of business on the agenda for that meeting.

12.6 A meeting of the Strategic Governing Body shall be terminated forthwith if:

- the members of the Strategic Governing Body so resolve; or
- the number of members present ceases to constitute a quorum for a meeting of the Strategic Governing Body.

12.7 Where a meeting is not held or is terminated before all the matters specified as items of business on the agenda for the meeting have been disposed of, a further meeting shall be convened by the Clerk as soon as is reasonably practicable, but in any event within seven days of the date on which the meeting was originally to be held or was so terminated.

12.8 Where the Strategic Governing Body resolves to adjourn a meeting before all the items of business on the agenda have been disposed of, the Strategic Governing Body shall before doing so determine the time and date at which a further meeting is to be held for the purposes of completing the consideration of those items, and they shall direct the Clerk to convene a meeting accordingly.

12.9 The quorum for a meeting of the Strategic Governing Body, and any vote on any matter thereat, shall be three Governors.

12.10 The Strategic Governing Body may act regardless of any vacancies on its board, but, if the numbers of persons serving is less than the number fixed as the quorum, the continuing persons may act only for the purpose of filling vacancies.

12.11 The quorum for the purposes of:

- any vote on the removal of a person in accordance with this Scheme of Delegation;
- any vote on the removal of the Chair of the Strategic Governing Body;
 - shall be any two-thirds (rounded up to a whole number) of the persons who are at the time persons entitled to vote on those respective matters and the CEO.

12.12 Subject to this Scheme of Delegation, every matter to be decided at a meeting of the Strategic Governing Body shall be determined by a majority of the votes of the persons present and entitled to vote on the question. Every member of the Strategic Governing Body shall have one vote.

12.13 Where there is an equal division of votes, the Chair of the meeting shall have a casting vote in addition to any other vote he may have. The Chair will clearly state their reasons for the casting vote.

12.14 The proceedings of the Strategic Governing Body shall not be invalidated by:

- any vacancy on the SGB; or
- any defect in the election, appointment or nomination of any person serving on the SGB.

12.15 A resolution in writing, signed by all the persons entitled to receive notice of a meeting of the Strategic Governing Body or of a subcommittee of the Strategic Governing Body, shall be valid and effective as if it had been passed at a meeting of the Strategic Governing Body or (as the case may be) a subcommittee of the Strategic Governing Body duly convened and held. Such a resolution may consist of several documents in the same form, each signed by one or more of the members of the Strategic Governing Body and may include an electronic communication by or on behalf of the Strategic Governing Body indicating his or her agreement to the form of resolution providing that the member has previously notified the Strategic Governing Body in writing of the email address or addresses which the member will use.

12.16 The Strategic Governing Body shall ensure that a copy of:

- the agenda for every meeting of the Strategic Governing Body;
- the draft minutes of every such meeting, if they have been approved by the person acting as the Chair of that meeting;
- the signed minutes of every such meeting; and
- any report, document or other paper considered at any such meeting,

- are, as soon as is reasonably practicable, made available at each Academy to persons wishing to inspect them.

12.17 There may be excluded from any item required to be made available, any material relating to:

- a named teacher or other person employed, or proposed to be employed, at the Academy;
- a named pupil at, or candidate for admission to, the Academy; and
- any matter which, by reason of its nature, the Strategic Governing Body is satisfied should remain confidential.

12.18 Any member of the Strategic Governing Body shall be able to participate in meetings of the Strategic Governing Body by telephone or video conference provided that:

- he or she has given notice of his or her intention to do so detailing the telephone number on which he or she can be reached and/or appropriate details of the video conference suite from which he or she shall be taking part at the time of the meeting at least 48 hours before the meeting; and
- the Strategic Governing Body has access to the appropriate equipment, and
- if after all reasonable efforts it does not prove possible for the person to participate by telephone or video conference the meeting may still proceed with its business provided it is otherwise quorate.

13. Notices

13.1 Any notice to be given to or by any person pursuant to this Scheme of Delegation (other than a notice calling a meeting of the Strategic Governing Body) shall be in writing or shall be given using electronic communications to an address for the time being notified for that purpose to the person giving the notice. In this Scheme of Delegation, "Address" in relation to electronic communications, includes a number or address used for the purposes of such communications.

13.2 A notice may be given by the Strategic Governing Body to its members either personally or by sending it by post in a prepaid envelope addressed to the member at his registered address or by leaving it at that address or by giving it using electronic communications to an address for the time being notified to the Strategic Governing Body by the member. A member whose registered address is not within the United Kingdom and who gives to the Strategic Governing Body an address within the United Kingdom at which notices may be given to him or her, or an address to which notices may be sent using electronic communications, shall be entitled to have notices given to him or her at that address, but otherwise no such member shall be entitled to receive any notice from the Strategic Governing Body.

13.3 A member of the Strategic Governing Body present, either in person or by proxy, at any meeting of the Strategic Governing Body shall be deemed to have received notice of the meeting and, where necessary, of the purposes for which it was called.

13.4 Proof that an envelope containing a notice was properly addressed, prepaid and posted shall be conclusive evidence that the notice was given. Proof that a notice contained in an electronic communication was sent in accordance with guidance issued by the Institute of Chartered Secretaries and Administrators shall be conclusive evidence that the notice was given. A notice shall be deemed to be given at the expiration of 48 hours after the envelope containing it was posted or, in the case of a notice contained in an electronic communication, at the expiration of 48 hours after the time it was sent.

14. Indemnity

Subject to the provisions of the Companies Act 2006 every member of the Strategic Governing Body or other officer or auditor of the Company acting in relation to the Academy shall be indemnified out of the assets of the Company against any liability incurred by him or her in that capacity in defending any proceedings, whether civil or criminal, in which judgment is given in favour or in which he or she is acquitted or in connection with any application in which relief is granted to him or her by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the Company.

SAFEGUARDING GOVERNOR (INCLUDING LOOKED AFTER CHILDREN)

Role Description

The “Keeping Children Safe in Education” Statutory Guidance for Academies and Colleges (2016) produced by the Department for Education defines safeguarding as:

- protecting children from maltreatment;
- preventing impairment of children’s health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care;
- taking action to enable all children to have the best outcomes.

Providing for pupils’ spiritual, moral, social and cultural (SMSC) development is a statutory requirement for all schools. Provision for SMSC should link closely to each Academy’s ethos and values, and the broad and balanced curriculum that it aims to provide.

Part of the role of the Standards Governor will be to challenge and ensure that each Academy provides a safe, supportive environment for all pupils, and that it enables them to participate in school life, and to develop the skills and attitudes that will prepare them for life in a diverse society.

Another part of the role is to be a champion for Looked After Children in each Academy on behalf of your SGB, to be familiar with STEP’s policy for Looked After Children and to help ensure that they remain high of your SGB’s agenda.

Your role is to act as a critical friend to your Academy(ies) to ensure that the appropriate systems and procedures are in place to cover all aspects of the safeguarding agenda and all statutory SGB responsibilities and that the safeguarding agenda is embedded within the ethos of our Trust.

Key Tasks

- Be familiar with current legislation on child protection and safer recruitment, STEP’s Child Protection/Safeguarding policy and be aware of changes to the regulations.
- Liaise regularly with the Designated Senior Person for Safeguarding (often the Headteacher), about general child protection and broader safeguarding issues in each Academy (including Looked After Children), record keeping systems and report back to your SGB on a regular basis.
- Have oversight of the Single Central Record and ensure it is up to date and maintained in line with current guidance.
- Undertake appropriate training on child protection/safeguarding and encourage other governors to attend.
- Monitor training and development undertaken by governors to ensure at least one governor on any recruitment and selection panel for staff has successfully completed accredited Safer Recruitment training.
- Monitor progress against any outstanding actions from your SGB’s annual Safeguarding Audit and any other reviews/inspections.

- Ensure all are aware of how to maintain a highly vigilant culture of safeguarding in each Academy where the safeguarding of all pupils is paramount.
- Ability to articulate how governors and staff within the Academy, at all levels, have worked to create a strong, positive culture of safeguarding.
- Ensure there are regular questions are asked, shared scenarios and training/safeguarding updates and visual information is displayed around each Academy which is shared with parents/carers to support the high expectations of safeguarding across each Academy.
- To ensure that your SGB discusses the attainment of Looked After Children on a regular/annual basis.
- To ensure that each Academy has effective procedures for communicating with carers of Looked After Children.
- To ensure that if your Academies do not currently have any Looked After Children on roll, they are well prepared to meet their needs should the position change.

Suggested questions to ask

- Does each Academy have a Safeguarding Policy and procedures in place that are in accordance with DfE guidance and is the policy made available to parents on request?
- Does each Academy operate safe recruitment procedures and are all appropriate checks carried out on new staff and volunteers who will work with children?
- How are child protection/safeguarding issues monitored?
- Are staff aware of the procedure that needs to be followed when they have concerns about child protection?
- Have staff and governors received appropriate child protection/safeguarding training?
- Do we run E-Safety awareness training for staff, governors, pupils and parents?

- The allocation of resources and consequent audit trail
- Narrowing attainment gaps between disadvantaged pupils and other pupils

Finance and Operations Governor

Role Description

The role is not designed to take on any responsibilities for operational or strategic matters that are within the remit of employees of STEP Academy Trust. Instead, the aim of the role is to provide assurance and act as a 'link governor' between each Academy and your SGB by:

- Acting as an objective sounding board for the Headteacher and Business Manager;
- Receiving regular reviews of the financial planning, position and reporting
- In conjunction with the Business Manager and Headteacher, provide information to your SGB on financial matters as required.

Key Tasks

- Reviewing monthly reports
- Liaise with Business Manager monthly to discuss each Academy's financial position, including income, expenditure, commitments and forecasts
- Review reports from Internal Audit for assurance on academy internal control systems
- Discussing budget implications of major initiatives, current commitments, and changes to existing arrangements or external influences on budgets
- Review Academy KPI's, ensuring that connection between KPI, Budget and Academy Improvement plan objective is shared with SGB

Suggested Questions to Ask

Performance & Reporting

- What was contained as recommendations within the last Audit report – have they now been implemented? What rating did each Academy receive?
- What was contained within the last OFSTED report? Any areas for improvement identified which have a budget impact, if so what action has been taken?

Academy and Staff Development and Priorities

- Do you know the priorities of each Academy? What are each Academy's strengths and weaknesses? How are these being addressed?
- Have you seen each Academy Improvement Plan? As a Governor what input did you have in its completion?
- How are staff kept up to date with new techniques/personal development?

- Have you been involved in the decision making on capital spending? What are each Academy's priorities?
- Is there a rolling programme for updating ICT?

Attainment/Deprivation Support

- How many pupils are eligible for a free school meal? What percentage is this of the whole population? What measures/extra support are put in place to ensure these pupils are achieving a satisfactory standard of attainment or above?
- In [year] each Academy received Pupil Premium of [£.....] per pupil who has been eligible for a free school meal in the last 6 years (FSM6), [£.....] Service children and [£.....] for Looked after Children (LAC). How will this funding be used? This must be published on each Academy website including the impact it has made.
- Similar to Pupil Premium, what information is available for use of Sports Grant?
- How much funding does each Academy receive for social deprivation? How will this funding be used to support disadvantaged pupils?
- How often are you updated on the attainment level of pupils in your Academy?
- How are Teaching Assistants deployed? How do they contribute to raising standards?

Budget Monitoring, Budget Plan and Visits

- Has each Academy ever demonstrated the budget plan to you?
- Each Academy budget must be submitted to the STEP Audit Committee by 31 May. Do you know how much each Academy is expecting to carry forward at the year end? If an Academy is projecting a deficit, what action is being taken by the Headteacher/Business Manager to address this? Does this action seem reasonable, appropriate and achievable?
- What are the predictions for pupil numbers in your Academies? How will this affect funding, staffing etc?
- Do you know how much each Academy is spending on its SEND pupils? Do you know how much funding each Academy is getting to cover this?

Value for Money

- What annual contracts does each Academy enter into? How often are these reviewed?
- What discussions take place around achieving value for money?
- Have you discussed key indicators or any other benchmarking information?

Staffing

Are you aware of the staffing structure within your Academies? How is the staff structure enabling delivery of the Academy Improvement Plan?

When a member of staff leaves, are you consulted on whether to replace or not? Staff structures should not only be reviewed due to budget pressures.

If the Headteacher were to announce that they were leaving, what consideration has been given to succession planning?

Are all staff on permanent contracts? What salary points are staff on and how will this impact on future years?

Do all staff pay into a pension scheme?

Operations

- Review and review with Business Manager termly reports and progress against identified KPIS
- Confirm Health and Safety and Risk Management processes are in place
- Review with Business Manager in-year and three year plans for ICT and Premises and Estates

Headteacher Performance Management Governors

The STEP PM process has been revised to ensure objectives for more senior roles are set first, rather than last. This will make it easier for PM objectives of other roles to link in with individual Academy and whole Trust priorities.

Formal Executive Headteacher/Headteacher PM Reviews and Objective Setting meetings will take place before the appraisal period and will involve a governor and a member of the Executive Team. In Academies where there are Heads of School in post, it is the responsibility of the EHT/HT to review the previous year's performance and set objectives for the current year.

Objectives for each teacher will be set before or as soon as practicable after, the start of each appraisal period. The objectives set for each teacher, will be Specific, Measurable, Achievable, Realistic and Time-bound and will be appropriate to the teacher's role and level of experience. The appraiser and teacher will seek to agree the objectives but, if that is not possible, the appraiser will determine the objectives. They will take into account individual career aspirations including the assessment of threshold standards. The number of objectives must be reasonable and there should be consistency within the school. In most cases there will be 3, and a maximum of 6 objectives. Objectives may be revised if there is a significant change in circumstances, eg change of job role, long term sickness, maternity leave or if a teacher requires more support to meet the Teachers' Standards.

The objectives set for each teacher will, if achieved, contribute to each Academy's plans for improving each Academy's educational provision and performance and improving the education of pupils at that Academy. This will be ensured by quality assuring all objectives against each Academy Improvement Plan.

Reviewing performance

Development and support

Appraisal is a supportive process which will be used to inform continuing professional development. The Trust wishes to encourage a culture in which all teachers take responsibility for improving their teaching through appropriate professional development. Professional development will be linked to Academy improvement priorities and to the ongoing professional development needs and priorities of individual teachers.

Observation

Our Academies believe that observation of classroom practice and other responsibilities is important both as a way of assessing teachers' performance in order to identify any particular strengths and areas for development they may have and of gaining useful information which can inform school improvement more generally. All observation will be carried out in a supportive fashion. The classroom observation protocol is set out in Appendix 1.

Teachers (including the head teacher) who have responsibilities outside the classroom should also expect to have their performance of those responsibilities observed and assessed.

Feedback

Teachers will receive constructive feedback on their performance throughout the year, and as soon as practicable after observation has taken place or other evidence has come to light with written feedback provided within 5 working days of a performance management observation. Feedback will highlight particular areas of strength as well as any areas that need attention.

Teachers will be made aware of their progress towards meeting the criteria for pay progression. In the event that a teacher is unlikely to meet the criteria for pay progression they can expect to be alerted to this and given support to improve their performance.

STANDARDS GOVERNOR

Role

To keep your SGB and Head of Standards/STEP Standards Committee informed of standards achieved and the resource needs of the curriculum area in order to maintain and raise standards.

Key tasks

- Review STEP Performance Indicators against relevant academy recent outcomes at EYFS, KS1 and KS2;
- Keep up to date with STEP Standards key performance indicators, academy targets and pupil outcomes at all key stages nationally, attainment and progress, Ofsted Inspection criteria and relevant DfE guidance, policy and practice impacting on STEP Academy Trust and academies locally;
- Meet at least termly with relevant Academy leaders to become informed on current standards across the key stages and how the aim to raise standards is reflected within the Academy Improvement Plans. Liaise with Academy leaders to obtain following information:
 - Training available;
 - Condition and availability of resources;
 - SEND provision;
 - Planning, assessment and recording procedures;
 - Standards of achievement for all key groups, including disadvantaged;
 - Operation of policies;
 - Contribute to the monitoring of Academies improvement priorities and other plans;
 - Assist in monitoring and review of relevant policies and ensure this is completed in line with policy review timetable;

 - Support and promote involvement of parents;
 - Encourage relevant Academy leaders to give occasional presentations to SGB;
 - Report back to your SGB following focused visits to Academies using agreed protocol on visiting and reporting procedures.

Suggested questions to ask

- What issues arise from Academy self-evaluation that relate to this subject and what plans do we have to address them?
- What progress are we making towards implementing plans and how will we assess the impact?
- In what particular ways does the subject contribute to achieving statutory and other targets?
- How is pupil progress monitored and assessed and how well do pupils know their individual targets?
- What areas of staff development are currently being addressed through continuing professional development?
- How does each Academy communicate with and involve parents?

LEAD GOVERNOR FOR WEBSITE MONITORING

Role

When considering the skills listed [in the audit], it is important to understand that **governance is a 'thinking' not a 'doing' role**. This means that the skills and knowledge sought are those which enable governors to ask the right questions, analyse data and have focused discussions which create robust accountability for school leaders.

For example, a governor might work in the construction industry, but it would not be appropriate for him/her to carry out a health and safety check at the school. Similarly, a lawyer should not be asked to give free legal advice. **Governance is a strategic role and governors must not be tempted to do the staff's job:** management must be left to the school leadership team.

So the role of the Lead Governor is to ask good questions about what is on an Academy's website and explore why certain information is published or withheld and think about how the website can support the Academy's strategic direction. This could be by:

- Being the link between your SGB and each Academy in relation to monitoring compliance of their website.
- Raise awareness of website compliance issues at full SGB meetings.
- Help your SGB to ensure it fulfils its statutory duties/priorities towards website compliance.
- Help review each Academy's policies to ensure they promote/reflect website compliance appropriately.
- Act as a critical friend to the member of staff leading the update of the Academy website, supporting and challenging appropriately.
- Help to ensure that each Academy communicates well with relevant agencies and stakeholders with respect to their websites.

Key Tasks

- Speak with governing bodies from other local schools where a school's website was indicated as a positive feature or an area for improvement in an inspection report
- Examine the websites of those schools – using the Internet Archive to see available older versions if they have changed significantly post-inspection
- Read Ofsted reports – or search using a service like Watchsted for schools where *website* or *online* is mentioned (Watchsted currently only shows recent reports)
- Withhold *some* professional opinions on design, colour – governors are generally not the main audience for a school's website.
- Meet the member of staff leading on updating each Academy's website on a regular basis.
- Plan your meetings to allow regular feedback to your SGB.

Suggested Questions

- If school governance is indeed a thinking role, rather than a doing role, what thinking did our governing body do before our latest Academy website was published?
- Is the role concerned with compliance or a culture of communication?
- Does our governing body use the website to communicate about its processes with the Academy community – or are we happy with a list of names, accompanied by what type of governor an individual is? Have we considered pictures? Has anyone ever suggested making a video introducing the governors?

Mentor for a new governor

Role

A Governor Mentor should have two main objectives:

- To provide on-going support and information to the new governor
- To develop a committed and valued member of the governing board

Initial support

The Governor Mentor will discuss the following with the new governor:

- General expectations of governors
- Training opportunities and expectations (particularly induction training)
- The STEP Governor Job Description/ Code of Conduct
- The meeting schedule, to reinforce expected time commitments and to demonstrate how the governors work with the school during the year
- A typical full governing board meeting agenda, to demonstrate how this normally works
- STEP's guidance on the type of questions for governors to ask and the invitation to submit strategic questions in advance of meetings
- National standards and expectations, alongside the school's performance, to clarify aspirations
- Lead Governor roles and their contribution to the function of the governing board, to identify any areas where the new governor's skills can be put to use
- Opportunities to shadow a governor visit

Mentoring should reinforce the value of governors asking probing questions, even those that may seem obvious. Contact between the new governor and mentor could include face-to-face discussions, telephone calls and electronic discussions. Both parties should agree the level of contact to ensure that this is not onerous for either individual. It is vital to provide relevant information and advice at a pace that will support the new governor rather than overwhelm them.

Ongoing support

After these initial discussions, it is beneficial for the mentor to speak with the new governor before and after:

- Full governing board meetings and committee meetings
- Activities such as governor visits
- Appeals panels

This will allow the new governor to ask questions, and the Mentor to provide any relevant feedback.
