STEP Academy Trust is an exciting, dynamic place to work that can offer great opportunities to the right candidate. If you are ready to start a career in maintaining the internal and external areas of our academies, join us as we 'Strive Together for Excellence in Partnership'.

STEP Academy Trust is seeking to recruit an apprentice who will work closely with site management staff in a supportive, mission and values driven organisation.

This is a role that will see the successful candidate learning how to undertake plumbing, carpentry, interior and exterior decorating as well as essential health and safety tasks to keep our children safe.

The role will initially be based in the Croydon area but there will be an opportunity for the successful candidate to work with colleagues across STEP. The use of a car is essential and the candidate will be reimbursed for expenditure on petrol.

If after looking at the job description and person specification, you would like to contribute to the continued improvement of our premises and estates management, we look forward to hearing from you.
