Teacher training has never been so important. Now, more than ever, we need Teachers

Apply for our fully funded PGCE, get paid while you train and join an inspiring group of recent graduates and career changers.

We are offering a fully-funded PGCE which means you'll be paid from the outset and have no debt on completion of the programme. The PGCE is delivered through the STEP Ahead Teaching School Hub in partnership with the University of Buckingham.

From September, you will be in the classroom, working with experienced teachers to help pupils from some of the country's most disadvantaged backgrounds reach their full potential. Alongside learning from colleagues within your placement schools, you will engage in a training programme from the Teaching School Hub. This programme is grounded in the evidence base of how children learn, how we can work to close the disadvantage gap with a particular focus on phonics and early reading, and strategies to support classroom management.

Depending on your location, you will be allocated an academy in either South London or East Sussex. You will also have the opportunity to complete a short placement in a contrasting school and in an alternative key stage within your main school. Successful PGCE graduates may also apply to complete their ECT induction within STEP Academy Trust.

Qualifications criteria: you must have a good first degree: usually 2:1 or above, GCSE English: B or above, GCSE maths: B or above, GCSE science: C or above.

We have a limited number of spaces on our fully funded PGCE programme, so we advise that you apply soon to express your interest. **To request an application pack, email: ite@stepacademytrust.org**
